

Capturing Moments Photography

on display at the

Niobrara County Library

November 2017

Jessica Frye has lived in Lusk for the past 9 years, but also lived here when she was

younger. She is the mother of 6 children and wife of Jim Frye, Lusk Law Enforcement Officer. "I chose *Capturing Moments Photography* as a business name because that is what I do, capture moments that last a life time," said Jessica. Frye has created a photo journey for the family of an Alzheimer patient and is currently working with someone through her breast cancer journey. Jessica is available for a wide range of photo sessions - senior pictures, weddings, maternity and newborns as well as landscapes and scenery. "If I have my camera, I'm planning on using it."

Stop by and view the *Capturing Moments Photography* exhibit during the month of November.

*Capturing Moments Photography
Reception with artist, Jessica Frye
Wednesday, November 8 at 5 p.m.*
